

# Nenad Matovski

April 6, 1973 - October 4, 2024

It is with deep sadness that we announce the passing of Nenad Matovski, who was called to the Lord on October 4, 2024. Nenad was born on April 6, 1973, in Detroit, Michigan, to Zako and Jagoda Matovski. He was a devoted brother to Drakce (Lisa) Matovski and a loving father to Zachary, Nathan, and Nadia.

Nenad was a beacon of love and kindness, inspiring everyone around him to embrace compassion and generosity. He instilled in his children the importance of faith, teaching them to always believe in the teachings of Jesus and to extend kindness to others. His profound belief in love shaped the lives of many, leaving a legacy that will endure in the hearts of all who knew him.

A talented designer, Nenad poured his creativity into his work, designing cars, sketches of faith, and symbols of strength and hope. His artistic vision was matched only by his deep love for music, often sharing his favorite songs and creating moments of joy through melody. He was an avid lover of soccer, making cherished memories with his brother and teammates, and passing that same love for the sport to his children.

Known for his laughter and charm, Nenad created a warm and welcoming presence wherever he went. He had a unique gift for making everyone feel valued and heard, forging deep connections that transcended time and distance.

As we honor his memory, we invite friends and family to join us in celebrating a life that was a testament to love, faith, and family.

May he be welcomed into The Lord's Kingdom, embraced by the love of those who have gone before him and forever in our hearts.

“Nick” was a member of our 5PM Men's Zoom meeting for a couple of years. Even though we never met in person, we spoke by telephone and were friends. Nenad had a huge spirit, even in the midst of his struggles. His passing is sad. I know his spirit will live on. Whatever selfless act I can muster today, I will do it in Nenad's name. Much love to his family and friends. Brian F.

“ I met this kind soul via a family member. He was a ray of sunshine. Always excited for life and the possibilities of what tomorrow might bring. I loved his encouraging words and his prayers. I didn't know his native tongue but I understood he was praying and I believe his prayers reached God's ears. May his soul rest in perfect peace.
