“ *It been a long long time..and this is so silly, but we were next door neighbors and I so remember your mom on the lawn with you and your brother Michael, and your sisters and mine broke our pool and all the water rushed into your yard...the yard your mom had you and your brother on...never saw a woman scoop up two babies so fast!!  
RIP*

“ Nick, you where a good friend, I met you back in high school and shared many good times. We were part of a crew of friends that were just like family. I'm glad we got to share some time together shooting pool and listening to Skynard on the turn table just recently. You were loved more than you knew and will be missed, but never forgotten!!!

“ The coolest guy at work and on the golf course. I remember our make shift golf course at the old medic 12, how he could hit the golf ball to the railroad tracks going to the Chrysler plant. I was amazed. Thanks Nikki for making me love the game of golf. Miss you man

“ The God (Jehovah) of all comfort can give us the strength needed to endure the pain that comes from the death of your loved one Nicholas Futris. The bible describes death as an enemy. Our grand creator plans to undo the tragic effects of death at John 5:28-29. Isaiah 41:10 & 13 tells us to grasp the right hand of God never let him go. He will get you up when you feel you can't.

“ Nick showed me the way when I started Detroit EMS. A very generous, and kind man. He was patient and caring. I send my prayers, to him and his family through this difficult time. A man of great taste and one heck of a golfer. You'll be missed brother. God Speed.

“ I remember breaking in Nick as a rookie, he was calm, humorous and willing. Later on we played basketball together, partied together.....I would give him all my Entertainment Card coupons for all the golf courses that he would play at. He was massively proud to be Greek. This is a great loss. My condolences and prayers to his family.
