“ *Words cannot express the sadness, sorrow and grief I feel for the loss of such a charismatic man. He always made me laugh and smile whenever I'd come in to Catch 22. He had a larger than life personality and he will be missed by everyone that knew him. My heart goes out to his family in this incredibly painful time. My most heartfelt deepest sympathy to his family.*

“ My husband and I are saddened by the passing of "Uncle Nick". We've been his patrons since he opened the restaurant in Shelby Twp. He always had a hug for me and a hearty handshake for my husband. Today we were at Nicks 22nd Street when we learned of his passing. We were there for our anniversary dinner. I missed the kiss Nick would always give me on my special day. Such a dear, wonderful man will be missed by many.

“ I first met Nick back in the early 70's when Nick ran the kitchen at Archies. Also with Bill, Harry, George & Gus (not his sons)at Acropole. The list goes on and on. Nick was more than a friend; he was a "brother". I imagine he will be cooking the next Passover Feast of lamb, cooked as only Nick could prepare it. He will me sorely missed by all that he touched & loved. I love you Nick,I'll have a little slivovitz (plum brandy) for you & brother Andy. My condolences to the entire Andreopoulos family.

“ We worked at Selfridge Air National Guard Base from 1971 to 1995. Among our fondest memories is going to Grecian Gardens with good friends and seeing Nick. He always greeted us with a smile and came by our table to chat a minute. I(Sally and friend Vicky) pestered him until he finally put saganaki on the menu. We always looked forward to seeing Nick and his wife. We always left with a smile. We're so sorry for your loss.

“ We were so sorry to see Nick has passed on, our deepest sympathy to Bill, George, Harry and Mom. He was a very, very special person, he was `family'. Linda is especially going to miss how he would hold both her hands when greeting us. If there was any `plus side' to Nick's passing, it would be our Mom's and Dad's are finally going to get a good restaurant up there. We're going to miss him so much . . .

“ My deepest sympathy to the entire family. What a terrible tragedy for all of Uncle Nick's friends family as well. I first met Uncle Nick through Dale Hagel twelve years ago. I always found him to be a most endearing and kind-hearted friend. I am from Algonac, and of course was so excited that he purchased a restaurant here. I was just talking to him last week about a wild game dinner at the Catch 22, he wanted people around here to bring their game, and he was out getting his when this monumental tragedy happened. I loved him and I will miss him for the rest of my life. RIP Uncle Nick.

“ It is with a heavy heart that I am sending my deepest sympathy to all of you. I first met Nick when Catch 22 opened. It was like I knew him forever as we talked about ourselves and found that he knew my father Nick Halkias and then he started calling my sister and I his "Greek Girls". We called him our "Adopted Dad". Mom sent us Easter cookies and we always shared stories when she would visit the restaurant. We call the boys our adopted brothers. Not only was Nick dedicated, he was a wonderful, gentle, kind loving man that touched so many hearts. He will be missed so much by our community. I know it is hard right now, but please know He will be with you always as the memories and stories last for a life time. I love all of you and will miss "Dad" deeply.

“ To Bill, George, Harry and the entire Andreopoulos family--We send our deepest sympathy to all of you. We pray for your strength to cope with this difficult time. Nick was a fine man and we so enjoyed him. I still have the "worry beads" he gave to me 9 yrs ago when I was dealing with the pending loss of both of my parents in May at that time. Frank & I enjoyed his companionship, friendship and we shall cherish our memories with him. He will be greatly missed by us and by many. Nick will always have a special place in my heart as we have known him for over 20 yrs. We loved him. God Bless all of you. Love, Lori and Frank Jobak
