“ Nina you were my role model and my inspiration. I miss you so much already. You were the most loving person and someone I always turned to. I loved every moment I got to spend with you... But most of all loved painting your nails. May you rest in peace and watch a few episodes of Barney with great papa for me. I love you my sweet guardian angel❤️

“ *May you now rest in peace Nana. Your dream to be reunited with Papa is granted! I will never forget your smile or your warm heart! I will miss you greatly and will think of you everyday! I know when I look up to the sky I have gained another Guardian Angel to guide me through the rough times and to share all the good times with! It has been a while since we've seen each other and now we don't have to miss another minute together because you will always be up there watching over us all! I love you Nana may you fly high and shine bright through the sun and the stars!*
