“ Dear Mr Gucwa, I am so sorry to hear about the passing of your beautiful wife. 62 years of marriage is a wonderful example to show your children how much you loved their mom. You have a blessed family. The last time I was in contact with you was when you lost Keith. These are such difficult times. You and your family are in my prayers.

God bless you with strength and comfort.

“ Dear Chris and Family,

There are no words, but there are heartfelt wishes and healing thoughts. And all are being sent your way to help comfort you during this difficult time.

Your Mom will be so dearly missed. She was the truest of dear friends to my Mother, Olga Ann Olen. So many, many wonderful events have happened throughout the decades when they were together, sharing good times and lots of laughter! My Mom cherished having Olga as a Junior Bridesmaid at her Wedding. My Mom's face would always light up when Olga's name was mentioned.

I'm sure my parents, Ted & Ann, are arm-in-arm with Olga, showing her around the Pearly Gates. No doubt they are all smiling and in good cheer being together!

*God bless her.
With Sympathy,*

Karen (Olen) Wright, daughter of Olga Ann Olen
