“ *Patti took care of my daughter Gennifer when she was a little girl, helping me out with day care. She was a good friend to me during that time and loved my daughter so much. She was a kind and generous soul. We lost touch after we moved way and I regret not reconnecting with her. I have the fondest memories of her.*

“ Pat was my lending ear at Henry Ford, my sounding board and helped keep me sane through the tough times. She was a great friend that I looked forward to talking to every day. I miss working with her. She had a great sense of humor and I always enjoyed our conversations. She loved the kids we treated. She was like a member of the family getting to know my mother, wife, and children over the almost 3 years we worked together at Cottage. We'll miss you Pat. Thank you for your friendship and the memories.
