“ *Pat was one of the first person I met at work, some 25 years ago. She was by far the sweetest and most thoughtful person I knew. I remember every holiday she would bye a whole groupd of us little holiday figurines to put on our desks....Halloween, xmas, sweetest day. She would always take time and talk to you and have a smile on her face. My best memory of her is the huge life size snow man stuffed animal she brought me at work. it was so large I had to site it in the passenger seat of my car when I took it home. She knew I collected snowmen and wanted to add to my collection. That was just the type of person she was. Always thinking of others!*
