“ *My Wonderful Aunt. Always looked forward to her visits when I was young, She always had something special for me when it was my Birthday. She was the one that got me started in two way radio when I was 9. I still operate them to this day. She was always quick with a smile and a warm hug.*

*I always enjoyed how Patty would cheer for a football team based on the color of their uniforms and always got a kick out of our mutual admiration for Mike Ditka! Thanks for always taking my side when Uncle George would try to get out of paying me \$1 when he lost a bet! You will be missed.*
