“ *Pat has been my friend and colleague for many years. I have listened to her winning students perform at MMTA Conferences, she has judged my students at festivals, we were on the MMTA Board at the same time, and most recently, she and I worked on the repertoire lists for the new MMTA Handbook. Not one to sit quietly on the sidelines while opinions were being voiced, the Handbook Revision Committee could always count on Pat's input, and our Handbook is the better for it! I will really miss her!*
