“ Pat was one of the kindest and most selfless human beings I have been blessed in my life to know. I am forever indebted to her for the love and support she has bestowed upon me throughout these many years and, even more importantly, for the unlimited love she has given Ella and Alana who adored her. She has given them the endless affection and unconditional love of a grandmother. I praise God for this gift of a grandmother's love that my girls were able to experience with Pat during the time they had with her. Precious memories that Ella and Alana will carry and live with all their lives! We will remember you always mom/grandma in our hearts and minds. Thank you for being the very special person you were. I know you will watch over these two precious babies from heaven where I know your mother, father, sister and my mom and dad welcomed you with open arms. We love you always! Sherry, Ella and Alana

“ It was a pleasure to see Pat at school for the past two years when I would take Brady and Gavin to school. What a gentle soul she was and always had a smile and a friendly hello. I am thankful that I saw her at the picnic and was able to give her a great big hug. Thinking of all of the family during this difficult time. Love and prayers.
