“ I am so very sorry for your loss.

Pat kept me out of trouble with AT&T as my financial planner/analyst for the Visteon deal. Pat was a Godsend to me and my team with her professionalism and knowledge of the business. I also loved to have my talks with her about her hockey league and her love of hiking.

She will be missed, but please know that her influence on me and others within AT&T will be alive until we all have the opportunity to see her again.
