“ *I was very saddened to hear this news. I grew up next door on Blackmar and babysat a couple of times for Greg and Pat. We could always count on a visit from the Ayoub boys when they came to visit Pat. Please accept our sincerest condolences.*

I was very fortunate to work with Pat as a teacher at Mound Park. She was always a great resource for information and Library services. But more than that she was a good friend who helped me with student needs and even my own needs of support. We shared laughter and our love of Books. Sending gratitude for her generous spirit and Blessings to her family.
