“ My sincere condolences to Pat's family and friends. Pat was one of those rare people, with a heart of gold. He had the ability to make you feel welcome, comfortable and, rest assured, guaranteed to put a smile on your face as he was never short on jokes! Rest in peace my friend.

“ *Our brother Pat will be missed very much but we have to remember that Pat would want us to think of the fun times and not dwell on his passing,so just keep smiling when you think of a memory of him.*
