“ *Patryk you were a good young man, You had a big heart and was a great neighbor, I will never forget everything you did for me. You had good parents that loved and guided you in the right direction to becoming a good young man. I'm going to miss seeing you and your dad working on your car, you riding your bike and skateboard out front on your wood ramp. You will always be special to me. Patryk you're now in the hands of the lord R I P God Speed my friend 🙏*

“ *Patryk was such a car enthusiast and his desire to work on and take care of his BMW was exciting to watch. He was one of my best technicians at the school! He was such a hard worker and always willing to help out with anyone who needed extra hands in the Auto Shop. Toward the end of the year Joey needed him to literally get into the engine compartment because Patryk was the only one that could reach a difficult bolt. He was so excited to turn 18 and get a Auto repair job! I will forever miss him and I'm devastated for the loss his parents feel and that the world will suffer without him in it! Patryk your were amazing I will never forget you!*

“ *Tren VIII Jan Kochanowski -*

*Wielkieś mi uczynił pustki w domu moim,
Moj drogi Patryku, tym zniknieniem swoim.
Pełno nas, a jakoby nikogo nie było:
Jedną maluczką duszą tak wiele ubyło.
Tyś za wszystko mówił, za wszystko śpiewał,
Wszystkiś w domu kąciki zawsze pobiegał.
Nie dopuścisz nigdy matce się frasować
Ani ojcu myśleniem zbytnim głowy psować,
To tego, to owego wdzięcznie obłapiając
I onym swym uciesznym śmiechem zabawiając.
Teraz wszystko umilkło, szczere pustki w domu,
Nie masz zabawki, nie masz rośmiać się nikomu.
Z każdego kąta żałość człowieka ujmuje,
A serce swej pociechy darmo upatruje.*

Threnody VIII Jan Kochanowski -

*You have made my house empty for me,
My dear, with these disappear of yours.
We are full, as if there was no one there:
With one tiny soul so much has gone.
You spoke for everything, sang for everything,
Every corner in the house was always running.
You never let your mother worry
Not to spoil my father's head by thinking too much,
This one, this one gratefully grasped
And amusing you with his joyful laughter.
Now everything is silent, sincere emptiness in the house,
You don't have a toy, you don't have to grow up for anyone.
From every angle, grief strikes a person,
And the heart of its consolation is free.*
