

Patsy Ann Magill

September 2, 1935 - February 26, 2023

It is with a heavy heart, we are sorry to share that on Sunday, February 26, 2023, Patsy Ann (Stokes) Magill, loving wife and mother of three children passed away at the age of 87 holding her loving husband's hand. Respectfully at the request of Patsy her wishes were to be cremated and no funeral services.

Patsy was born on September 2, 1935 in Jackson, Alabama to Earl and Lourine (Bastin) Stokes. On December 30, 1967, she married James Magill.

Patsy was preceded in death by her parents Earl and Lourine, her brother Robert and sister Martha. Patsy is survived by her husband James: Three children Mary Anne, Patricia and Terry: Six grandchildren Matthew, Andrew, Allison, Alexander, Jessica and Justin: One great grandchild Elliot and many other family members.

Patsy was very proud to be amongst the first graduating class at Macomb Community College. She worked very hard, took care of her family and extended family whenever she was needed.

Patsy enjoyed getting together with family and friends, talking and playing games. She loved everyone and had such a giving heart. She loved to be needed, and to be helping anyone that needed help. giving unselfishly of herself and never asking for anything in return, she loved unconditionally.

Patsy will be greatly missed, as she was loved by so many. She can never be replaced. Patsy's love for her grandson Matthew, took her on many adventures. She spent most days with Matthew, and went on many vacations with him, loving, laughing and enjoying life together. Her life was saved several times in the past year, by her daughter Mary Anne. The two of them had a very deep connection, which comes from the love Mary Anne had for her mother, and she would not give up on her.

Patsy was proud to have served in the U.S. Army, and will have a full military service in her honor, to be held at Great Lakes National Cemetery in Holly Michigan at a later date. Donations directly to the family in lieu of flowers would be greatly appreciated at this difficult time.

“ *My mother was our Rock and our Refuge for me and my sisters. My two children, Jessica and Justin loved her dearly and loved sharing time with grandma. They loved it when grandma could go to the zoo, school events, out for dinner and their sporting activities. Those great memories they cherish. She possessed wisdom, knowledge, love and caring. When I was young she would listen to what we would have to say and always offered her feelings and perspectives. Our parents would take us on Sunday afternoon trips into the country while talking and listening to the radio. My mom each year, had our family go see a movie at the drive-in theatre on my birthday, being the longest day of the year and we would play on the swings at the front of the movie theatre until the movie started. She was sincere, witty, funny and of many smiles. She was greatly admired, loved and appreciated by the family. I remember the many great memories with her and I treasure them and they are very dear to my heart. I will miss my Mom and she is forever, always in my heart. I Love You Mom. Your Son, Terry*

“ *I remember Miss Patsy always being with her bestie Mary, and she was at Mary's house and just got back from shopping, they were talking about lunch and after that maybe playing some board game if Matthew and I were up for it. Even though I had lost touch with Mary and Matthew for quite a few yrs, Mary and Matthew welcomed my family back into the fold June 2022, in one of our last visits our youngest son can with me to visit Matthew and Miss Patsy was staying over for a while. She asked where Vincent was going to school for college. He said Macomb Community college mam, she said in reply I graduated from the first graduating class of MCC with a class of 4. We really enjoyed our visits and she always made us feel we were always family... Christine and Tim and guys*
