“ I worked with Paul at Detroit Edison in the 70's. Bob Schneider was our boss and it was just Paul, Jerry Bragg and me. We did have our good times and a lot of laughs. I look back at those times and remember them fondly. I extend my deepest sympathy to the family.

“ Knew Paul many years ago from Macomb Community College radio station (WMJB). Went to Lee Alan School of Broadcasting Arts with him. We both had grand ideas back then. Became good friends (buddies), but lost contact over the years as we both went our separate ways. Remember him as a very fun-loving guy who always genuinely cared. Spent many an evening upstairs at his home in Hamtramck listening to records and discussing our broadcasting futures before we went out to find that weekends dates. Have many many fond memories. Paul was "Mr. Personality" and always ended the evening with multiple phone numbers. I will always remember those "good times". RIP friend!

“ PA was a character. He had a great sense of humor, always had a joke and like to gamble a little. I played some sports with him at Detroit Edison and found out he was a real competitor. He will be missed. GOD Bless the family and all his loved ones.

“ *Dear Adamczyk Family,*
I am so sorry for your loss. I got to know Paul when he would visit with his sister, Annette, and I would be their at the same time. He was a kind and gentle man, who always brought a smile and candy, of course, for his sister. His visits were short, but frequent, and Annette sure enjoyed them. Praying that Paul is now at peace and that God showers his comfort and strength on all of you during the days and months ahead.

*Love and prayers,

“ To Paul:

Thinking out loud: I am so sorry we spent so much time apart. We really did have a lot in common, that we never got to spend time and share memories together. I feel tremendous guilt for this! I am so glad that we reconnected when we did. I reached out to you and you responded. I was so glad. The little time we spent together, the past few weeks, is something I will remember and cherish for the rest of my life. I know now how good a father, grandpa, person, and brother you were. I just want you and everyone else to know how sorry I am for not keeping in contact with you! I hope you know how much I love you and will keep you in my heart and thoughts forever. Again, Paul, I am sorry for being such an AZZ! Love you!!!
