I found this just putting old neighbor names. My family (Beinke) lived next door to the Butyters from 1950-1956. So sorry for the loss.

“ *Although its been a few years I will always remember the conversations we had. You always had a way of making me take my own inventory of life and I will continue to keep your advice in my tool box-it was always great advice. God Speed my friend-you're in a better place.*
