“ *Dear Sheila, I wanted to extend my sincere condolences to you and your family in the loss of your beloved Paul. I, also, am a widow and just want you to know that if you need ears to listen or shoulders to lean on I have them. Living in Florida, now, I can only send you hugs from afar BUT know that I'm sending them.*

“ *Shelia and Family, I am so saddened to hear of your loss. Cancer is a horrible disease and I do pray that during our lifetime or the near future they will find a cure. I too buried a husband who lost his battle with this beastly disease and a 25 year companion as well. Take care and know that you and your family are in my thoughts and prayers. Remember those special times together and his legacy lives on, for time and faith do lend to the healing process. Love and hugs. Lynn (1969 CLHS)*

“ *Dear ones, Our good thoughts and prayers have been with you and will continue to be with you in the weeks to come. We are so sorry this has happened. It has made us remember so many good family times we have had in earlier years when we'd gather at Granddad & Grandma Paul's for those hectic Christmases or picnics in the summer, when all the cousins were little & rowdy. We are sending a contribution in Paul's honor to your house. Lovingly, Uncle Lew & Aunt Ruth*

“ *Sheila and Family, I am so sorry for your loss. Your all in my thoughts and prayers. Even though I didn't know Paul, I knew that he was a wonderful person just by the things I heard from Sheila. My deepest sympathies are with you all.*
