“ *My Condolences and prayers go out to the whole family.*

Doug I am sorry to miss the viewing and funeral, I have been feeling under the weather. I know the engineering team has been well represented and I hope you see it is but a glimmer of the genuine care we feel for you right now. Please let me know if there is anything that the Stryker family can do to help ease the pain. Our hearts go out to you now and we will be here for you in the coming weeks.

*With Warmest Regards,
Steve Dawson*

“ *Uncle Sonny*

Remembering....78 rpm records playing Mule Skinner Blues sung by Jimmie Rodgers, he was into real country music, although there was of course some Frank Sinatra.

Sitting around the living room (before television) playing his Harmonica.

I used to wonder and still do, did he have the Harmonica with him during the war?

Probably. I hope it made him smile then like it did when he came home.

He helped me to learn some important things like playing poker, a skill every young man should have.

These things and more all happened at Grandma and Grandpa's house on Mayfield.

All at a time when I needed someone to act as Dad and he did.

I will be forever grateful for having him in my life.

Goodbye Uncle Sonny, please say hello to Grandma and Grandpa for me.

David

Nephew

“ *I will never forget the time that I spent living with you and Aunt Donna. You always went above and beyond to make me feel at home and saw to my every comfort and need. I have thought of you often and am sad that I didn't make more of an effort to spend more time with you. I know that you are with Aunt Donna now, and I'm sure Mom and Dad were there to greet you also.*

Love you Uncle Paul. Your Niece and Goddaughter, Cheri

“ *Uncle Sonny was a gentle, kind and sweet soul. He had a huge part in my childhood years for which I hold fond memories and will always be grateful for. He always had a smile whenever I saw him. My sympathy to Paul, Cindy, Gary, Douglas and his grandchildren. I will always remember him fondly. He is with Aunt Donna, Grandma Gersky and the angels now. MAY HE REST IN PEACE.*
