“ Dad ❤️

Words cannot express how much you're missed already. I'm glad to have shared TONS OF GREAT MOMENTS WITH YOU and down to your last. I feel like I'm in a dream, and I'm gonna wake up soon with you here. I keep checking my phone to see if you called. :(I'm listening to your voicemails you've left for me, It's amazing to hear your voice. You've been the best dad a girl could ask for. Our memories of playing basketball outside at the Lambrecht house with THE WHOLE neighborhood, Our drives too and from school, My first car you gave me, to buying every game system for me and Julie during our childhood! God, Those were the best years.

I'm trying to stay positive, it's just so damn hard. The girls miss you so so MUCH! Please help them grieve dad. I'm struggling myself, and unsure how to show them how to. You were the best role model for them! You made them the gamers they are today! They looked to you for guidance, and strength. You're house was there safe place! Where they could go to get a break and BE KIDS.

I LOVE YOU DAD. I am happy you're not in pain anymore. You have been fighting your whole life! I watched you struggle with the Mac lung disease, and I swear I will not stop till I figure out where that came from! I watched you get SOBER MULTIPLE TIMES. AND OVERCOME ALOT THAT MOST COULDN'T. I just hope you are looking down on all of us, your family, your wife , your kids, your grandkids and know how much YOU ARE LOVED AND MISSED. When you left, you took part of my soul with you. And mom , please guide him to whatever happens after here. Thank you. I will miss both of you forever.

*I will miss you forever dad. I love you 🙄😭😭☐

“ I'll always cherish being a little kid growing up. I don't know Paul's house playing the newest Nintendo games, always outside with all the kids from around the block paying basketball, teach me how to work on cars and just being the best Uncle and father he could ever be. Thank you for the memories, uncle

“ Rip Paul! I'm still mad that I was never able to beat him in a basketball game. He was actually really good at sports. He would be out front his and grandmas house with me and jen and Julie and all are friends playing basketball for hours. I hold onto those memories everyday. He was a good dude. Rip uncle paul.
