“ *Joann, Gary, Kristie, Jim and Kelly,*

No words can express what is being felt at this time. Good thoughts and great memories of adventures that we took as couples, and as families. Bryan nicknaming Paul, "Mr. Morehead", Sunday night at Big Boys, the 4th of July parties on the beach??????It's these moments that will see us thru the sad times.

“ JoAnn, We are truly saddened by Paul's passing. He was always so helpful around the lake doing odd jobs and doing his part to keep things in order. Ross still talks about the night they sat by the bonfire and talked for several hours. We hope you and the family are getting through this difficult time and keeping each other close.

“ Joann, I'm so deeply saddened to hear of Paul's passing. Paul was such a sweet, sweet man. My memories are of clearing him each morning when he had the Kmart route, and listening to him tell us of your escapades at the casino. His love of family was always evident. May God bless you and your family at this most difficult time, and know that your Postal family has you in their hearts and prayers.

“ *I was really sorry to hear this news. I have many fond memories of time spent with Paul. He and I would have what we we called "fireside chats" almost every day at work during the vim period. Years ago in my early days at the post office a group of us would meet after work and play golf. I'm sure I'm not alone as one of many coworkers who befriended and enjoyed the company of Paul.*
