“ *Paul was a giant in many people's lives. He had a message of humility and hope. I know he was a strong man with an outstretched hand. His face and message will be missed at our weekly gatherings. Nancy D*

My name is Nick L. Paul thought me and spoke of great life lessons! He helped like so many people. He made me realize how to be a better person and make better choices! He used to say "it's never about yourself but about about helping others! I will miss you Paul!!
