“ *Pearl was with us at Cambridge North for a short time-she was very ill and her children were very very involved in her care and was very clear they loved her very much. It was a privilege to have cared for her and my condolences to her family and friends. Pearl put up an awesome fight and she is now smiling and painfree!! I think of her often and will not forget her. Lauri Brown BSN*

So sorry for your loss Marcy, sending you prayers and hugs, it was a great honor to have been able to do your Moms hair! Love to you and your family at your time of grieving over the loss of your Mom.

“ *She always was the calm in life....I will always remember harvesting the garden and snapping beans. I will always remember Thanksgiving and the family gatherings. She was the best Aunt anyone could ask for.....*

A ship sails and I stand watching till she fades on the horizon and someone at my side says She is gone.

Gone where? Gone from my sight, that is all.

She is just as large now as when I last saw her.

Her diminished size and total loss from my sight is in me, not in her.

And just at that moment, when someone at my side says she is gone,

there are others who are watching her coming over their horizon and other voices take up a glad shout -

There she comes!

That is what dying is.

An horizon and just the limit of our sight.

Lift us up O Lord, that we may see further.
