“ *She was such an amazing grandmother. Her and grandpa always spoiled us grand kids. She loved us so much and spoiled us, but also always taught us how to behave. She took care of me and my sister all those times when we had to stay with her and grandpa when my dad was in the hospital. She kept the cookie jar stocked and helped make the holidays full of wonderful memories. Even from far away her and grandpa supported us, through birthday cards and comments on Facebook. I will always miss her and I am thankful for all the memories I have of her.*

“ She was always such a warm and welcoming person to anyone who came in contact with her. She was blessed in life with a beautiful, beautiful family. Hold tight to your memories, lean on your family and friends for strength. She will live on through all of you, her family. She may be gone but no one will ever stop loving her. My very deepest sympathy to all of you.

Love you all

“ Mrs. C - you are a wonderful, kind-hearted lady. Inviting, endearing, always present amid the chaos, yet laid back and so enjoyable to be with. I remember fondly the card parties to which Paul and I were invited. So much fun!! You opened your heart, your home and your family to so many. Mr. C, and your family, my heart breaks for you as I know exactly how difficult this is. Please know she is still there, and always will be. And know anytime you want, your memories and the love in your heart will bring her front and center. Hugs. Cathy Smolak.
