“ Petko, I worked with you at Mack I engine... we discussed our macedonian heritage, our love for our families and shared great humor. Kata and Boban are lucky to have called you husband and father. May you now rest in His lords arms and forever be free of pain. You are missed❤️

“ *Petko (Pete) worked for me for about 5 years at the Jeep Plant in Detroit. He was one of the first seniority tradesmen I met. He always had a great attitude, never late or complained. Even on bad days Pete always had wise words of support and fresh ground coffee made. He was my good friend and I will miss him*
