

## Philip Torindo Figliacconi

May 14, 1949 - November 18, 2024

Philip Torindo Figliacconi passed away peacefully November 18, 2024 at Henry Ford Hospital in Detroit.

Loving father of Kelly (Adam), Brian (Crystal) & Philip. Proud Papa to Angelina, Dominic and Adriana. Beloved brother to Donna (and the late Greg) and Uncle to Scott and Ken. Loving Partner to the late Carroll. Life long friend to ex-wife Shelva.

Known to many as "The Legend", Phil is loved by so many friends that became family to him.

He loved the Detroit Red Wings, hoped to see our Lions win the Super Bowl and loved to text with his sister when the Tiger's were playing.

Phil served in the US Navy and was a PROUD VETERAN, and was awarded with the National Defense Service Award. His heart was always at sea.

He joins his father Gildo & mother Rena in Heaven.

In lieu of donations or flowers, please find a way to thank a Veteran in your life.

Memorial information to follow.
