“ *Racquel was one of the realest people that you would ever meet in your lifetime. Through middle school, high school, and as adults with children, her soul has never changed. She is one of my best friends, and I will always cherish our memories (no matter how crazy lol). She loved her son, and many of her friends children as well. No matter how much everyday life got in the way, everytime we saw each other and spoke, its like time had never passed. I will miss you so much Racquel, your advice, friendship, and how easily you could make me laugh. I will miss talking with you, and hearing your contagious laughter..Oh how we could laugh for hours.. Love you Kel, go find Chris, and 2pac 🥺 I hope you find peace*
