“ *Dear Marie, Sarah, Raymond and Matthew,*

Please accept my belated condolences. I didn't find out until a month or two after he passed. Obviously, it's been almost a year now and I'm still deeply saddened. I can't help but remember the great kindness and friendship the entire Kleinberg family showed to me while Ray and I were on VWoA assignments in Wolfsburg and we were all living in Tankumsee. I will remember Ray always...

“ Dear Kleinberg Family,
I am terribly sorry for your loss.
I am a GM employee. I did not even know Ray that well, but he was in charge of our coffee station. I saw him every morning, we said hello every so often. He was immaculate, always. I was so used to seeing him every morning, he was almost like a part of my life. It is not the same without Ray over here. I will miss him, and perhaps hundred other engineers he shared his work and coffee with. May he rest in peace.

“ Dear Family, I was saddened to read of your loss and I’d like to extend my deepest sympathy for Mr Kleinberg. I can only imagine the pain you must feel. I pray that you can find hope in the Bible: 1) A loving God would never take our loved ones: (James 1:13) With evil things God cannot be tried nor does he himself try anyone. 2) God will comfort you: (Psalm 34:18) Jehovah is near to those that are broken at heart; And those who are crushed in spirit he saves. 3) Jesus Christ, thru God’s Kingdom, will bring our loved ones back healthy: I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life. (John 11:25) ~ Hope this comforts you like it has my family during loss

“ Marie, I am so sorry to hear of Ray's passing. I just received an email today from some folks at GM. Ray and I had worked together for several years at Allied Signal. I remember you and the kids at the Allied Signal picnics always trying to win as many prizes as they could at the games they had for the kids. Ray was a great guy and we will miss him. My condolences to you and your family.
