“ Dear Tim, Terry, Debbie, Dorie and Randi - Words can't express the sadness we are feeling for your loss. Dear "Ray" was all about family - a loving and devoted husband / father / grandfather and son. And he was a big part of his extended "Perliskey" family. Ray always made everyone feel welcome. He was an example for all of us to follow.

"Cousin Ray" was Barb's idol as she was growing up. She admired his sense of family and also was mesmerized by his fantastic baseball skills and dancing talents. Not too many people know that Ray was scouted by the baseball pros. And, he even got to polka with Janet Lennon of the Lawrence Welk Show.

Wish we could be with you during this difficult time. Remember that you are in our thoughts and prayers and we are with you in spirit. All our love and sympathy, Barb and Ken

“ I worked with Ray at Chrysler's RV department many years ago. I was about 19 yrs. old and he was the nicest, sweetest man. He took me under his wing, and never failed to help me when asked. He had a great sense of humor and we shared many jokes. I have many fond memories of one of the nicest men I have ever met.
