“ I first met Becky at a pageant, and we instantly became friends. I always looked forward to seeing her, whether she was competing or accompanying her beautiful daughter, Christine, in the competition, or the two of them judging together. Becky was always so positive and fun to be around. I'll miss her dearly.

“ Becky had a lot of sponk. In our mid years we played Wally Ball. She'd come in after her office job, looking cute and perfect, and get out on the court and give it her best. Becky set up 2 White water rafting trips for us in West Virginia. Incredible times. Thank you Becky. Miss you. Laurie Lockhart. Big hugs to all our friends and family you'll be welcomed by.
