“ *Slomka family:*

I go back many years when Renard was a security guard for Cadillac Tower Bldg. I worked in the office as Secretary /Receptionist and that is how i got to know Renard. I am Canadian and from Windsor Ontario.

One of the nicest, soft spoken gentleman and a excellent security guard.....always felt safe when he was on duty. I remember when he married Susan which was a short time after myself. I believe i may have meant you Susan once??? - He spoke so highly of you.

So sad to hear of his passing at such an early age. I know this is very late, but came across this by accident and still wish to express my condolence. Praying you are all doing the best as can be expected.

“ *Bernie was a great story teller! Running around Europe when he was in the service, loved his vintage Cadillac, enjoyed playing his keyboard and spending time with his family. He enjoyed the annual golf trips even though he only played once or twice a year and the 7 iron was his favorite club. He liked to discuss world politics and current events. He was a good man and the world will be a lesser place with his passing.*

“ *I worked alongside Renard in Hamtramck during the 1970s. We were both appointees of Mayor Kozerski. Renard was dedicated to his responsibilities as Housing Director. He did a great job securing government funding to make improvements at the Hamtramck Housing project. Renard showed boundless energy and never lost site of his mission to provide safe, affordable housing to Hamtramck residents.*
