“ *I will miss working with Renee. She was a kind, good-hearted person with a great sense of humor. We had so many laughs on the afternoon shift. I will miss her smile and her giggles. I am grateful that I got to know her over the years. She was a good listener and always willing to help if you needed it. She put others before herself. I learned a lot from her. God rest her soul!*

“ Renee, there are no words to express how much we miss you. From your laughter to the continuous pots of coffee made to yelling "REPRESENTATIVE" for referrals. Your presence is still felt here. We will always remember you and your contributions to the diagnostic center and to our lives in general. You were a great employee and an even better friend. Rest easy.

“ Renee will be a part of me that I'm going to have a hard time living with out. She's the one I'd share all my secrets too. She's the one that would act like my mother and tell me to get back to work when I was being silly. We played, we laughed so hard some times we cried, we'd argue and we'd make up . I use to say that we were like husband and wife because of the way we'd talk to each other. I've worked side by side with Renee for twenty years. I'm hurting inside because of her loss. Love you Renee.
