“ *Debbie we have been trying to find reta for several years. Lost tract of her and every so often would put her name on line. Could not recall your or Judy's last names. Please know how much Glenn and I loved Reta, living next door to her was a treat. She and I had many good times together. She would visit us up here on several occasions . Do many memories . I only wish I could have had one more time to have seen her. Heaven has a new angel*
