“ I knew Rex for most of my life, and he was a great man. He used to manage sugarbush stables when I was a child, and found him again as a teen at first impressions farms. He taught me to ride English, he taught me to jump, he taught me how to give lessons and train horses. He also hosted an Easter seals program there to help the disabled. I remember when he put his volunteer fire fighter gear on me and I could barely move! He was truly a good man and will live on in the hearts of anyone he touched.

“ First of all deepest sympathy to Rex's family on their sudden loss. As being a resident at American House East I in one of the Villa units for almost 2 years I got to meet and know Rex through riding on the bus for dr. appts. and special outings. Rex was a one of a kind man as he always had a smile, good sense of humor, and laughter. He always knew how to help us residents with getting on and off the bus and into the drs. office that even the 2 Receptionists at the Chiropractor office where I go were shocked as they were getting to know Rex. Rex's smile and laughter will be truly missed. Until we see each other again Rex, may your soul R.I.P. 🙏

“ Rex was an extraordinary individual with a heart full of kindness and compassion. I had the pleasure of working alongside him at East 2, where he constantly demonstrated his selflessness and willingness to lend a hand to those in need. His smile was a true gem that could light up any room he walked into. We will deeply miss his presence in our lives.

“ *I have no words. I wish I had reached out before he passed away. He was my biggest inspiration in high school. I bought my first horse from him - Kodak. He taught me to jump picnic tables and run a stable. He also taught me to fall off a horse. I started with Rex at the old Sugarbush then moved to First Impression stables. I later moved to FL and started my own farm. I hope he is proud of his students. I hope he can see us!! I will always remember you Rex. I am so sorry I never reached out... You will always be in my heart!!*
