We are so sadden to hear of Rick's passing. He is/was our childhood & then adult neighbor. He was across the street from our family & would come over & check on both my mom & dad in there later days. He was a faithful guardian to our brother Bill. He saved Bill's life & we were grateful for his help. He will be greatly missed.

“ *Every time I saw my Uncle Rick he always had a huge smile on his face. He was such a bright, loving and funny uncle. He always wanted to catch up and make the most out of family gatherings. Even though he went to sleep pretty dang early, he was still fun to be around. Rest easy Uncle Rick, i love you ❤️*

“ *There are so many who have been impacted by Uncle Rick, who was always kind, good-humored, and stoic. I don't let many people call me "Linds", but I always let Uncle Rick call me by that nickname. My heart breaks with this loss, especially for his wife, daughter, surviving siblings including my mother, as well as my sister, Angela, with whom he was very close. I know that the time and care he took to love his family as a whole and individually will live on.*

“ Rick (My Nephew),
Memories of Rick start when he was welcomed into our family August 8 1961. He was the first boy in a family that was to be 4 girls and 2 boys. I have fond memories of getting together at Christmas at his parents house, graduation parties and also our vacations at Young State Park in Boyne City Michigan. I remember taking Rick and his Duprey cousins on a (Boy's Only) - camping trip in the spring 1970 to the Pinery in Canada. It was so cold that I froze, but the boys had a great time. That was what was most important – the boys together had fun. Memories!

Rick was a good provider for Kim and Kaitlyn always working not only a fulltime job, but also taking on some part time jobs to provide. Rick always had time for Kaitlyn and her activities. I sat with Rick at Fitzgerald High School football games where we were there to support Jim (his brother) playing and later to support Kaitlyn Cheer Leading at football games.

Then there were the stories that Dick (his father) told me about his deer hunting trips Up North with his boy's. Dick did not care if they got a deer or not it was just fun building Memories.

My wife Joyce commented that she always felt welcome at Rick and Kim's house for family activities.

We love you and will miss you,
Uncle Henry and Aunt Joyce Ann

“ I'm going miss our morning phone talks... so many hours of reminiscing that I now will cherish even more. Hours of filling in on events over the years. Sharing successes of the kids. Love you have for Kim. The strength she had to keep you in line. How much you loved her. How you watched Charlotte's Web with Kaitlyn. Her school events, her girl friends gathering. The laugh and love you enjoyed. The three of you. Sharing our gambling stories. Your big win! Going to Duane's and betting on those horses. Taking walks with Duane. Time you spent with dad. Hunting , fishing and football games. All the things we all did as kids. Playing on Romano street and forever finding some form of entertainment. Our family vacations to Young State Park and Lake Musculunge. So, so many fun things we all shared. I'm glad you are my brother. You are the kindest, gentle man I know. I understand that flying out from California wasnt wise with all the health issues but now I wish I would have not listened and seen you one more time. I'm glad you are out of pain. I'm going to miss you Ricky. I love you.
