Lorraine and Family

I have nothing but very fond memories of all that we did together for many years. Richard was "One of a Kind" and he was truly loved by all. May you find comfort in the happiness you both shared for so many years. Love you, Pat Newman

*My heart is truly sad in learning of Richards passing. He took me under his wing when I started working in the Metal Shop back in Highland Park in 73 and I will always be grateful for that. He was always cool, calm and collected. I know he loved his family dearly and I know you will miss him. May God give you peace.
Good night Casey, May Gods arms hold you tight.
