“ *Arlene and family,  
I am so sorry to hear of Richard's passing. He and I grew up together and were altar boys at St. Adalbert's church. I spent more time at his house than I did at my own. I had no idea that he had passed. Goodbye old friend. Until we meet again...*

“ Richard taught computers for beginners part 2 for our group, Troy Senior Computer Learning Center, and has been an active member for many years. we could always count on him to fill in or teach the lessons for a class. Many people who had computer knowledge couldn't teach beginning courses to people who had little or no computer experience but Rick was a natural at it.

We will dearly miss him, not only as a staunch supporter, but also a smiling face and happy disposition.

Our sincerest condolences to his family. We will think of him often with happy memories.
