“ *Dear Uncle Richie,
There are so many fond memories of you. No one could tell a story like our Uncle Richie!! Family get togethers weren't complete 'til you had us in stitches, tears of laughter rolling down our faces. Thank you for all the wonderful memories. I know you're in heaven now with God & all of your loving family & friends. May God bring your family comfort & peace in knowing you are home with Him now. Rest in peace Dear Uncle.

“ Dear Uncle Richie,

You were a hero for our country, and a great uncle. You brought smiles to the faces of my family when we lost our dad, Daniel. I will never forget how you made us laugh and how you were there for us. You brought smiles to our faces and every time I think of you, there is a smile on my face in your memory. I know you are in heaven with the rest of our family and friends. I look forward to seeing you again some day. Until then, I have the memory of you for which I am eternally grateful.

Your Nephew,

Joe Budd

“ Dear Uncle Richie, my heart is filled with memories of laughter, family parties and many many good times. Thanks for standing up for me when nobody else would and for trying to teach me how to drive :-). Beneath your rough demeanor was a loving god fearing man. Your memory will be forever in my heart and I look forward to seeing you again when the Lord is ready for me. I pray eternal rest for you and comfort and peace to your family. With much love, your niece, Mary.

“ *I'm so proud of my grandfather and everything he did for his country. He was a proud veteran and shared his history with all he knew knew.*
I will forever remember his extrovert demeanor and the efforts he, and my grandma, made to see us grandkids. Always sharing his humorous stories and reminding us all of memories past so that we would never forget.
He will always be remembered in my heart and the memories will live forever. Be at peace grandpa...until we meet again.
Love, Wendy
Great grandsons....Caden, Mason and Sawyer
