“ *Larry:
Thank you for your note of condolence. Richard would have been so happy to know he was remembered by an old friend. He lived a good and full life working very hard for his family. His last days were full in spite of his serious illness.*

I pray that you have good life as well.

“ *Richard and I served in the 254 F. A. Battalion, Service Company in 1955 thru 1956. The original 254 was sent back to Camp Carson Colo. I don't know if Richard went with them but I was transferred to another artillery unit. We had two other companions, Mike Appalonio and Lyle Klinski. Please accept my deepest condolences, but I see he has a beautiful family and he will not be forgotten. I went through some old pictures I have and it brought back fond memories. Respectfully, Larry Graf*
