“ *Dear Family,*

*Please accept my condolences; I am truly saddened by Ricks passing. I know mere words may offer but little comfort during this difficult time, but know that my deepest feelings of sympathy lie with you and your family.*

*Rick and I have been a friends for nearly 30 years, one of which I felt had the biggest heart. I will always remember the fun moments we had fishing and going to concerts. I know your heart is feeling heavy. My hope and prayer for all of you is that each day your hearts will feel lighter and lighter from the loss you are feeling, until one day only wonderful memories remain to comfort you.*

“ Dear Dick, Nola, Terri, Jennifer, Brittney and Family:

*We extend our deepest sympathy to each one of you as our hearts are filled with sadness.*

*It is with much sadness as we write, but at the same time, it gives us joy when we think of the wonderful times we spent watching Rick grow from childhood to manhood.*

*We recall????? his cheerfulness, always greeting us as he hustled in the kitchen after a day of hard work at one of the houses and his pride in his daughter, Brittney.*

*He had a special love for fishing and hunting. He especially was proud of taking Brittney with him during his camping outings. Yes, his life was shortened sooner than any of us expected or would have liked. It is the good memories that will keep each of you able to go forward.*

*I am sure Rick looks down on all of you and is forever thankful for the wonderful care and love he received from each of you.*

*Rick will always remain in our prayers. We extend our Love to all of you as we share his loss.*

*Death leaves heartache  
No one can heal*

*Love heals a memory  
No one can steal*

*May the abundance of your love create wonderful memories that heal all you heart aches.*

“*Dear family, I am so sorry to read of your loss and would like to extend my deepest sympathy for your dear father, son, brother and unle Richard. I can't imagine the pain you feel. I pray that you find comfort in the promise that God does not take our loved ones ( James 1:13) and that soon there will be no need for grieving ( 1 Corinthians 15:26) and that God will comfort your family as you await seeing your loved one again (2 Corinthians 1:3-7 and Acts 24:15). This helped me during my mourning I hope it helps your family.*

“ Some of my best childhood memories were with Ricky. Times in Au Gres were amongst the happiest of my life. Even those we got into trouble over. Ricky taught me to hunt and I was the older one. We would fish and just enjoy ourselves playing along the river.

*Despite all of his problems one thing always remained - a big heart. The pride he has for Brittney was incredible. I truly love him even though we only saw each other a few times a year now as adults.*

*To Aunt Nola, Uncle Dick, Terry & Jen - know your family will be there for you as you have always been there for us.*

*All my Love*

*Steve*
