“ I always enjoyed visiting during the summers to stay with Aunt Rita, Uncle Sam, Karen, and Frank; the Amato Family. We lived a distance away and didn't see each other often. Karen and I were very close in age and shared common cousin interests (also both having VERY Italian fathers). Great memories of Aunt Rita's near perfect housekeeping as well as wonderful home cooked meals. She will be remembered with fond memories and may she now rest in peace.....all my love and sympathy, Patty Sue D'Angelo Boyd

I will always remember her laugh. It was warm and genuine. Her home was always welcoming to me as a child. Her and uncle Ken always made me smile. I will miss her.

I will always remember the many Saturdays Rita and I spent together, as well as all the other things we did together. She loved going to the Texas Roadhouse and ordering her famous "filet". We spent many times together shopping at Kohls or Macy's. There wasn't a week that went by that I didn't talk to her. She was my best friend as well as my cousin. She also very much loved her dogs. Many times, when she would call me at home, I would put the phone next to my Golden Retriever and my dog would respond back to her. She taught me one thing that I will never forget, and that is to forgive others who have hurt you. She was such a loving and caring person, and I will miss her dearly.
