“ *I remember when Christine & I were in junior high and "Mr. Greenwood" would catch us "causing trouble". He always had a twinkle in his eye that told us he wasn't REALLY mad and we could continue growing up with his blessing. Bob was such a special man... always smiling, always positive, and always loving! He influenced me in so many ways as a young teenager. I will remember him with fond memories. My thoughts and prayers, Love Karen Ashbeck*

“ *I enjoyed playing pickleball with Bob for a lot of years. He was a kind and friendly man with a wonderful sense of humor. He cracked me up on several occasions. He will be missed. May your faith comfort you in your loss. Carol Diel*

“ Our thoughts and prayers to all of you. I'll always remember our fun Christmases and sleepovers when we were little and Bob taking us sledding when they were building the freeway. Super fun! Love to you all.

“ Thoughts and prayers to the entire Greenwood family. I was so saddened to hear of the passing of Mr. Greenwood. I will always remember him with a smile and a laugh, along with his loving devotion to Mrs. Greenwood and his 3 girls whenever I would hang out with Maureen after school and during summer vacations. A few times I ran into him with Mrs. Greenwood at Big Boys, and they always remembered who I was after all these years. May you find comfort in your memories and stories during this difficult time.

“ Mr. Greenwood was a kind and compassionate man. I feel very fortunate to have lived next door to him until I was about 8 years old. I often ran into him and Judy at Lakeside Mall for their morning walks and would walk with Mr. Greenwood to catch up. He always had a smile on his face. He will be dearly missed. Keeping Judy and the girls in my thought and prayers.

“ We feel fortunate to have met Bob and Judy and have cherished our friendship with them. He was the most friendliest, caring person who never met a "stranger". We experienced that by vacationing with him in The Villages, Fla. the last 3 years. He truly loved meeting people and was interested in all aspects of their lives. We will miss him along with everyone else that knew him. Our thoughts and prayers are with Judy and family. With love and sympathy,
