“ *To the Lentz family, we share so many years and memories together. Michael Street was such a fun street to grow up on. Bob was always a supportive neighbor and friend to our family. I will always cherish the time that our families shared. Our parents friendship stood strong throughout all these years. I feel blessed to have grown up with such a beautiful family. Bob you were loved and will be missed. Thank you for the time we shared on this earth my child hood is full of special memories I will never forget and you and your family are a big part of those beautiful memories. Rest In Peace. Love you.*

“ I have many great memories growing up with Bob around. I am blessed to have him as my Godfather. He was there for me through all my sacraments. So for that I thank you. Bob made my first and only swing set, it was so sturdy I believe it held up through all his grandchildren as well. 😊 You will be deeply missed. I am grateful for the time we had. Love you and God bless!
