

Robert S. McCliment

December 26, 1942 - February 2, 2022

Robert (Bob) McCliment, 79 of Sterling Heights, passed away peacefully on February 2, 2022. He is survived by his loving wife of 56 years, Marilyn (Bader) and their children Gregory and Christopher.

Robert was the youngest child of three born to William McCliment and Mary Louise (Richards). He is preceded in death by his parents and dear brothers Edward and William.

He will be deeply missed by his wonderful grandchildren Lauren, Connor, Anna, Ciara, Lilly and Ava.

Bob truly loved his Family and Friends! When he wasn't catching up with someone special, he could be found reading a good book, painting a beautiful new piece of art, or riding his bike. He also loved to go fishing and hunting with his brother and dear friends as well as golfing as often as he could.

Bob and Marilyn also cherished their many travels throughout their long and beautiful marriage, including trips to Alaska, Germany, Panama, California, Colorado, and many others.

May Robert find everlasting peace in God's arms.

“ *I met Bob, not at Ford, but on a handball court. We had many fun times together on and off the courts. Bob really enjoyed playing "the greatest game" , and I always enjoyed playing him or teaming with him. His very beautiful wife was actually an inspiration to him. He often talked about Marilyn, and I was lucky enough to meet her and spend some time with both of them. My prayers go out to Marilyn and the rest of his family and friends. I think he is up there trying to improve his shots!!! Presley (PK) Sims*

“ Many memories for me having a beer with Bob and Ken Klostermeyer in-between periods at Detroit Red Wing Hockey Games at the Joe Louis Arena. Also, golfing with him and Ken.

Life is full of memories and I am so thankful that Bob touched my life and made it better.

Bob was one of the best friends a lucky person could ever have. My deceased husband Mike and I went to high school together. We spent many years together traveling saquare dancing golfing and all the fun things in life. We even spent our retirement years together as snow birds in Florida. He and Marilyn were like family to my family. He will be missed by so many. RIP dear friend.

“ *Bob McCliment was "too tough an act to follow" to quote him from a personal conversation we had many years ago. Remembering him well. one instance - as we tried to fish the Detroit River near the Belle Isle Bridge. The current kept moving us so fast the boat required one person to steer and one to fish. No fish - at the least we did not capsize.*

Comfort and sweet memories to all those that grieve his passing..

“ I'm forever indebted to Bob, he gave a young engineer a chance to fulfill a life-long dream to work for Ford, in August of 1990 for which I'm thankful and grateful for that opportunity.

I will miss you, Bob. Thanks for advocating for me during that time as I know it was challenging to hire back then, but you never gave up on me.

“ I am very sad to hear of Bob's passing. In my earlier years at Ford I spent a lot of time with Bob working on many of our development issues. Bob, Ken Klostermeyer and I spent many a lunch hour debating how we were going to “fix” Ford.

Men like Bob and Ken played a big role in developing many Ford Engineers, me included.

Bob will be missed by all of his peers.

My condolences to the family.

“ I have many memories of great times with Bob, a wonderful friend. We played paddleball and went bar hopping in our younger, crazier days. We worked together and Bob saved my bacon many times. Prayers to Marilyn and the rest of his family. He will be missed.
