“ *Bob was a wonderful man of God. He always had such a positive attitude. He always had a smile on his face. We will all miss him! My parents were also blessed to be friends with him and Jan. I will be praying for peace and comfort for the family and all who miss him.*

“ I first met Robert 36 years ago, when he graciously spoke with me on a sidewalk outside of a church in Royal Oak. That conversation was instrumental in my finding a local body of believers in Christ for 2 close relatives who had just become followers of Jesus. This in turn impacted many lives for many years.

My family and I also became members of that body of believers where I was privileged to worship, sing, labor, teach and break bread alongside Bob. He taught my children in school. He was a Godly influence in my life and I count him as a friend and a brother.

I had not had contact with Bob for many years until recently, when the Lord appropriately impressed upon me an urgency to contact him. I initially had trouble finding a current phone number but I eventually did and then called him. We enjoyed a great time of sharing and breaking bread together (see Psalm 133). God used him to speak wisdom and words of comfort to me. True to form, Bob engaged in conversation 2 people in line with us at the restaurant and gently led the exchange towards the things of God.

When we parted, we planned on getting together again and including others in our fellowship. Now, I will next eat pancakes again with Robert in the presence of our great God and savior. Until then, he will be greatly missed!!
