“ *The only memory I can share of this awful man is that he screwed my mother out of a lot of money and lied to her endlessly while dating many other women and scamming them too. He rightfully went to jail and got everything he deserved!*

“ Uncle Bobby was always generous and kind towards us. From the time I was a youngster when he took an interest in me and taught me some guitar chords, to when I was the lanky teenager whom he gave 50 bucks and a JFK coin to "just because", to just recently when he graciously cared for his ailing brother, my father, who had a heart attack and needed a helping hand. Bobby will be missed and my thoughts and prayers go out to those who loved him. RIP bobby until we see you again, but this time it'll be in the paradise!! Rev 21:3&4

Was Linda around ?

I was not allowed around the family anymore when Bobby brother Bobby died in late 1970s

My case worker

Belinda Delph said, I was not allowed to go to funeral home to be with the family because, a female investigator had found drugs in the brown Maverick trunk that Mary drove when she investigated a murder scene! 4 Dead in Bonita Springs florida was listed as

*Mary Joann Pugh
Northwood Drive*

*Monica Jill Pugh
Northwood Drive*

Lonnie Zane Pugh/ child

Monica Jill Pugh / child

I never really believed that Bobby committed suicide

Harley Riders was for fact handed Birth Certificates for each of those names listed above.

If you find out any different

The Salem City Police Department undercover department would be responsible for any paperwork errors

Florida Police Department drive in and entered the house to see for sure the car matched the house.

“ *I will always remember Bob teasing and joking with me . Always smiling and making everyone else smile , if you we're having a bad day he would make it better just by being there . Growing up with Barb and her family was something I will always treasure , he truly loved his girls and made me feel like I was a part of their family . My deepest condolences to you all .*
