“ *There are no words that can be said to ease the sorrow of such a great loss. I feel blessed to have spent time with Uncle Bob when he came to AZ with Aunt Lillian and Marie when I was a kid. I feel even more blessed to have been able to see him and the whole family when Mom and I made the trip to Michigan. Fond memories I will forever cherish. My thoughts and prayers are with you all. Love Linda*

“I read of a man who stood to speak, at the funeral of a friend. He referred to the dates on his tombstone from the beginning...to the end. He noted that first came the date of his birth and spoke of the following date with tears, but said what mattered most of all was the dash between those years. For that dash represents all the time that he spent alive on earth and now only those who loved him know what that little line is worth. For it matters not how much we own, the cars...the house...the cash... What matters is how we live and love and how we spend our dash." Uncle Bob's dash was spent extraordinarily well, creating a wealth of fond memories for everyone. My thoughts and prayers are with you all. Sincere condolences, Nancy & Ken

“Bob was a son, a brother, a husband, a father, and a grandfather. But to me he was my fellow musketeer. Bob, you will be truly missed. And, I will treasure the memories I have of us and carry you with me, always. My prayers and deepest sympathy goes out to my sisters, brother and the whole entire family.
Love you always, Irene

“Keeping you close in thoughts and prayers...

We will keep in our fondest memories your dad at the lake playing horse shoes, with his cigar, his beer, and most of all that smile that made you feel like he really knew what the good life was all about.

Love,
Chris & Cheryl
