“ I knew Robert as a patient of Dr. Calado. He always had a smile and a kind word. He always went the extra mile to make you smile and feel better. So sorry for his beloved family, especially Mary and his baby so Lucas. Last time I saw him he told me about his Grandparents dog that was lost in Hamtramck and how they searched and searched and finally got him home for his Grandma! What a wonderful young man, he will be greatly missed. ❤️

Robert was the type of person who always made you smile. He always made us feel he was genuinely happy to see us. And we were happy to see him. So glad to have met him. So heart broken to hear of his passing. Our hearts go out to his family, girlfriend and friends. Karl & Sandy Wilson

“ *I was able to meet Robert through his amazing work with Dr. Colada. My mother told me right off of the bat, "You are going to LOVE Robert!" And I absolutely did. As stressful as it is dealing with one's health, he always had the kindest voice and truly compassionate spirit as he would take all of the time in the world to make me feel comfortable. He was great with a joke too. My heart is hurting for his family. But please know, he made an enormous impact on strangers' lives. Mine included. Robert will always have a special place in my life. Much love and healing light to those that are hurting. - miranda johnson*

“ *I met robert as a new patient of Dr. Calado. I loved him and often told him if I had a son I would wish him to be like him. He had a huge impact on my health and always checked in with me. He was a remarkable young man. I pray and send blessings to his family. Often times another person touches our lives so deeply, others may not even know about. Robert touched mine. Debra Moss*

“ We are long time neighbors of the Sawicki family and are deeply saddened by Robert's untimely passing. Robert was always friendly and pleasant to talk to and will be missed by all of us. He departed our world way too soon. Prayers to his immediate and extended family and to his girlfriend. May the Lord give strength to all of you at this difficult time and may his memory live on with all of the happy times you've had. Rest in Peace Robert.
