“ Carol/ Rob and family: We are so very sorry for your loss. Mr. Willis was such a kind, caring, thoughtful and wonderful man. He was always such a pleasure to talk to and be with. He always found time to visit and even take time out to bring our boys treats on every visit (typically candy-lol). One of our favorite memories was when he and Carol came over to visit when our twins were just born; it really meant a lot to us to know that the both of them cared so much. We are so sadden that we not only will not see him again, but that we did not have a chance to see him recently. Randy and I were just talking about him and not seeing him as of late at the Armada Flea Market on Sunday's and was wondering why.....Rest in Peace Mr. Willis and again Carol, Rob and family--Randy and I (the boys too) are so sorry for your loss and please know that our thoughts are with all of you during this time of sorrow. he was a GREAT MAN and now will be one of god's GREAT ANGELS! WE love you Mr. Willis
