

Robert Wojciechowski

October 12, 1934 - April 3, 2023

On April 3, 2023, my father, Robert Dennis Wojciechowski, passed away peacefully at home.

My father loved his family dearly — his parents Chester and Charlotte Wojciechowski, his wife of 58 years, Maureen, who unselfishly cared for him for many years, his daughter Dawn, his son-in-law Christopher, and his grandsons, Rowan and Cullen.

My father was a veteran of the United States Army -- he was proud of his country and proud that he served it.

My father was all about the 'Rat Pack' days, a vodka martini, a perfectly manicured lawn and Buffalo Bills football. We are pretty certain he hung on a little bit longer just to see if his precious Bills would finally make it to the Super Bowl. While they never won, he now has the best seat in the house.

My father was a proud 'Buffalonian' to the end, however, my father felt he was finally 'home' when he met his Michigan in-laws and extended family.

In his final days, he would frequently reflect on his fond memories of his family, his childhood, and the shenanigans he had with his best friends back in Buffalo. There was never a dull moment in those days, and he absolutely lived

his life to the fullest. In the end, my father was looking forward to seeing those he loved again.

Above all, my father was a very thoughtful man who led his life with honesty and integrity. My father could never say no to somebody in need, and often went above and beyond for friends and family. You could always count on my father.

We will see you on the other side, Papa Bob. Until then, we continue to cheer on your Buffalo Bills, keep your martini glass full, Dean Martin on our 'playlists' and live life with you in our hearts.

The Wojciechowski Family will be holding a private funeral service.

In Robert's honor, donations to the following organizations would be very much appreciated.

First thing that comes to mind about my caring brother in law is laughter! Being in his company was always easy and always felt welcome! Lived the way he called Maureen his bride❤️! Spent many good times with them in the early years, he was such a kick! A really great guy who cared about others and you knew he would always help with anything anyone needed. In my case it was always advice. A member of the family we were so lucky to have. Even at the end he was always asking how I was doing, even THEN! Will miss him dearly...

“ Uncle Bob as we called him was a very very good friend of my Dad (Gerald Pankiewicz). We often visited Bob, Maureen, Dawn and Shamus and I remember much laughter coming from the other room as us kids played nearby.

I wish Maureen and Dawn peace during this difficult time.

“ Bob was friend of Jerry, first and foremost, and friend of our family. He was Jerry's best man at his wedding. They gave me the gift of making me and Bob as Jill's godparents. He had a wonderful sense of humor. Loved him and his family. Esther Marszalek
